INSTRUCTIONS TO REGISTRANT: The information above should be updated as significant changes occur. The operation of a POV on a military installation is a privilege extended by the Installation Commander subject to compliance with appropriate State laws pertaining to financial responsibility, safety inspections and registration; to conditions established in paragraph 2-1, AR 190-5, and AR 190-1-5; and other appropriate regulations. Failure to comply with such laws and regulations may result in an administrative suspension or revocation of driving privileges or termination of installation registration. The registrant must remove the decal from the registered vehicle upon PCS, termination of employment, or sale of POV.

SPECIFIED CONSENT TO IMPOUNDMENT

I am aware that Army Regulation 190-5, Motor Vehicle Traffic Supervision, paragraph 3-5, 22 May 2006 and FMMC Regulation 190-15, Fort Myer Military Community Uniform Traffic Policy, 26 June 2008, provide for the removal and temporary impoundment of privately-owned motor vehicles that are either parked illegally; or, for unreasonable periods of time, interfering with military operations, creating a safety hazard, disabled by accident, left unattended in a restricted or controlled area, or abandoned. I agree to reimburse the United States for the cost of towing and storage, should my motor vehicle, because of such circumstances, be removed and impounded.
